Terms and Conditions

This rebate is available to customers of Stowe Electric for qualifying electric mowers or lawncare products purchased January 1, 2025 through December 31, 2026.

Residential Electric lawn mower battery must be at least 36 volt.

On-bill credit is not available for commercial mowers.

For more information: Stowe Electric: 802-253-7215, rebates@stoweelectric.com, or <https://www.stoweelectric.com/rebates>.

We will not endorse a manufacturer, product, system design, technology, or contractor. You must send Stowe Electric a copy of the invoice you received at the point of purchase showing the date of purchase and the model number and serial number of the product purchased.

If the model number and serial number are not provided on your invoice form, then please refer to the faceplate on the mower unit(s) and send a picture of the faceplate attached to your rebate request.

We will contact you directly with additional information requests. Otherwise, please allow 30 days from the date of receipt for us to mail your rebate check.

Stowe Electric reserves the right to modify or end this offer at any time.

By submitting this form you certify the information provided to SED is accurate and complete. The information you have provided may be subject to further verification by SED and at the request of SED you agree to provide additional information needed to verify your request. Incomplete or missing information will delay processing and payment.

By completing this form and accepting the rebate, you agree to SED sharing this information with the Vermont Department of Public Service and their contractors for the purpose of evaluating the statewide impacts of this program. SED will never share your personally identifiable information with any entity.
