### Terms and Conditions

This rebate is for the purchase or lease of qualifying electric vehicles by an SED customer. The program prioritizes devices that can be enrolled into Connected Homes by offering an enhanced rebate for vehicles that are WIFI compatible, and capable of receiving alerts and sharing information with Connected Homes. Customers can receive an additional incentive for enrolling their compatible EV into Connected Homes, and must submit a separate rebate form to receive this 'enrollment incentive'. Vehicle must be registered in Lamoille County, Vermont.

SED partners with DriveElectric and Efficiency Vermont to administer and market this rebate.
